

Who Are You Hiring for Your Contractor?

- 1) Are they a **Registered Contractor**
 - Find out by searching the state records
 - Phone: 406-444-7734
 - Web: www.mtcontractor.com
 - Search Perfect 10 Roofing & Construction to find us
- 2) Do they have **Current Business Liability Insurance** to protect your property?
 - Call their insurance provider to find out
 - Our insurance is through Farmer M Brown Insurance Agency
 - Can be contacted at by phone: 773-777-2100
- 3) Are they a **Registered Business?**
 - Federal, State of Montana
 - Also the City; Billings, Miles City, Glendive, Sidney, Red Lodge, etc.
- 4) Do they have **Employees?**
 - Either through insurance Provider or another form of coverage
 - Labor Ready or Advanced Employment services
 - Independent Contractors with Exemption forms
 - Prior to starting your project we provide this information upon Request
- 5) Can they provide you with **References?**
 - References for similar projects available upon Request
- 6) Does the contractor provide a detailed clear project contract? Is there a Warranty?
 - Contractors usually request half of the projects total upon signing the contract so that they can secure a date for your project in the colander and order materials.
 - A warranty should be provided for both the Material and Labor

As for Perfect 10 Roofing and Construction

- 1) Our **Goals & policies**
 - Leave job site (Your House or Business) as good or better then when we arrived
 - Clean and remove all our garbage from lawn, flower beds, driveways, etc.
 - Our goal is that you get the best installation that can be provided so that we can be your roofing contractor for life.
 - We want our customers to feel comfortable referring us to their friends and family
 - We enjoy driving by our completed projects knowing they look great and are installed to a high standard
- 2) **Installations and Warranties**
 - Understand Montana and its **High Winds and Heavy Snow Loads**
 - Products installed to Manufacture Specifications & often Exceed them
 - We Stand by all of our work and do maintenance and repairs if needed
